ARTICULATION AGREEMENT
BETWEEN
UNIVERSITY OF IOWA HONORS PROGRAM
AND
SCOTT COMMUNITY COLLEGE HONORS PROGRAM

PURPOSE:

This document constitutes an agreement between the University of Iowa (U of I) and Scott Community College (SCC). The purpose of this agreement is to formalize an understanding of cooperation between the two institutions in order to assist Scott Community College honors students in their preparation for admission, and transfer to the University of Iowa Honors Program.

THE SCC HONORS PROGRAM:

The Scott Community College Honors Program (SCCHP) values academic scholarship and excellence. The Honors Program offers opportunities for advanced learning, innovative ideas, social and cultural experiences, community service, leadership, and personal development to the students who ask more of themselves, their instructors, and their education.

COMPLETION AND GRADUATION:

To be recognized as an SCC Honors Program graduate, a student must complete at least four honors courses, including one Honors Seminar, one Honors Independent Study, one Honors Service Project, and either a second Honors Seminar or Honors Independent Study.

TERMS OF THE AGREEMENT:

Scott Community College Honors Program asked that the University of Iowa Honors Program specify arrangements for honors work done at Scott Community College to count at the University of Iowa. In response, the Steering Committee of the University of Iowa Honors Program decided that:

1. All honors coursework at SCC will transfer hour-for-hour toward opportunities and recognitions from the University of Iowa Honors Program.

2. A student who graduates from the honors program of SCC may transfer to the University of Iowa as a member of its Honors Program.

3. This constitutes the Honors Articulation Agreement between Scott Community College and the University of Iowa Honors Program.
FORMAL ACCEPTANCE:

Scott Community College formally accepts the Honors Articulation Agreement between Scott Community College Honors Program (SCCHP), and the University of Iowa Honors Program (UIHP) as specified above.

IMPLEMENTATION AND REVIEW:

Implementation of this Agreement is scheduled for January, 2008 and is subject to review as substantive changes in the two honors programs may warrant.
