ARTICULATION AGREEMENT

Scott Community College Honors Program:

The Scott Community College Honors Program values academic scholarship and excellence. The Honors Program offers opportunities for advanced learning, innovative ideas, social and cultural experiences, community service, leadership, and personal development to the students who ask more of themselves, their instructors and their education.

To be recognized as an SCC Honors Program graduate, a student must complete at least four honors courses, including one Honors Seminar, one Honors Independent Study, one Honors Service Project, and either a second Honors Seminar or Honors Independent Study.

TERMS OF THE AGREEMENT:

WIU and SCC mutually agree that the following arrangements for honors work done at Scott Community College shall count at Western Illinois University, in accordance with the terms and conditions of this Articulation Agreement:

1. A student who graduates from the SCC Honors Program may transfer to WIU as a member of the Centennial Honors College as long as the other University transfer requirements are satisfied. An SCC Honors Program student who has not graduated from the SCC Honors Program may also transfer to WIU as a member of the Centennial Honors College if he or she meets the admission requirements of the Honors College at WIU.

2. All honors coursework at SCC will transfer hour-for-hour toward the Lower Division Honors requirements in the Centennial Honors College.

3. Notification of a student's intent to join the Centennial Honors College should be provided by SCC or the student in the semester prior to WIU admission.

4. The student submits a completed application to the Centennial Honors College.
